(incorporated in the Republic of South Africa with limited liability under registration number 1986/004794/06)

## Issue of ZAR 31,500,000.00 Registered Notes due 21 February 2029

## under its ZAR 80,000,000,000 Master Structured Note Programme

This Applicable Pricing Supplement must be read in conjunction with the Master Structured Note Programme Memorandum dated on or about 16 August 2021 and registered with the JSE on or about 18 August 2021, as amended and/or supplemented from time to time ("the Master Programme Memorandum"), prepared by Absa Bank Limited in connection with the Absa Bank Limited ZAR 80,000,000 Master Structured Note Programme.

With effect from the date on which this Applicable Pricing Supplement is signed, this Applicable Pricing Supplement shall replace and supersede any previous Applicable Pricing Supplement in all respects and this Applicable Pricing Supplement shall constitute the only pricing supplement relating to the Notes of this Tranche.

Any capitalised terms not defined in this Applicable Pricing Supplement have the meanings ascribed to them in the Glossary of Terms.

This document constitutes the Applicable Pricing Supplement relating to the issue of Notes described herein. The Notes described herein are issued on and subject to the Terms and Conditions as replaced, amended and/or supplemented by this Applicable Pricing Supplement. To the extent that there is any conflict or inconsistency between the provisions of this Applicable Pricing Supplement and the provisions of the Master Programme Memorandum the provisions of this Applicable Pricing Supplement will prevail.

The Holders of the Notes should ensure that: (i) they fully understand the nature of the Notes and the extent of their exposure to risks, and (ii) they consider the suitability of the Notes as an investment in the light of their own circumstances and financial position.

The Notes involve a high degree of risk, including the risk of losing some or a significant part of the Noteholder's initial investment. A Noteholder should be prepared to sustain a total loss of its investment in the Notes. The Notes represent general, unsecured, unsubordinated, contractual obligations of the Issuer and rank *pari passu* in all respects with each other.

Noteholders are reminded that the Notes constitute obligations of the Issuer only and of no other person. Therefore, potential Noteholders should understand that they are relying on the credit worthiness of the Issuer.
